

IMPORTANT:

1. Applicants must supply a copy of their most recent tax return.
2. While we realize your application is time sensitive, PGOG may take up to 90 days to process your Financial Aid Update Form.
3. PGOG requires applicants to submit a verification letter from their agency to verify the costs indicated on this Financial Aid Update Form.

Financial Aid Update Form

Every two years, we ask applicants to update us on where you are at in the adoption process, or if there may have been a failed adoption.

The purpose of this update is to enable Pure Gift of God (PGOG) to keep our open applications up-to-date.

This update will not necessarily have any impact on the original grant amount. It will still be according to the discretion of the PGOG board.
